

Development Projects

Project Name _____

The Project is: Housing units [.....] Block of flats [.....]

Cost of construction of Project

£

Materials	
Labour	
Subcontractors	
Other	
Estimated cost to Completion	
Exchange	
Cost of Construction of Saleable items	

Cost of Land £ _____ Sheet /Plan _____ Plot.No _____

Name of Previous Owner _____ Exchange Yes/No (strike out which ever does not apply)

Area given in Exchange: _____ m².

Weight Factor of Exchange: _____

Name of Purchaser	Pur-chasers ID	Date of sale	No. of shop/A ppt. ^{*1}	Area of shop/Appt.	Weight Factor	Price of contract + addition work ^{*2}	Allocation of Land cost ^{*3}	Allocation of Construction Cost ^{*3}	Cumulative receipts ^{*4}	Interest from Debtors
Subtotal										
Less Exchange										
Total sold or for Sale										

*1 For the Apts./Shops, given in exchange of land there is no sales proceeds nor is there any cost but the amount of any receipt or payment adjusts the cost of construction. In such cases only details of area and weighted cost are given.

*2 For the Apts./Shops that have not been sold, give the expected sales price and mark this with *.

*3 For the purposes of land this is calculated in accordance with the area. For the purposes of other costs in accordance with the weighted area (excluding those given in exchange)

*4 Only in the cases where profit is restricted by receipts (i.e. the 50% completion method).
