*¹ For the Appts./Shops, given in exchange of land there is no sales proceeds nor is there any cost but the amount of any receipt or payment adjucts the cost of construction. In such cases only details of area and weighted cost are given.

 *2 For the Appts/Sjops that have not been sold, give the expected sales price and mark this with *.

*³ For the purposes of land this is calculated in accordance with the area. For the purposes of other costs in accordance with the weighted area (excluding those given in exchange)

 \star4 Only in the cases where profit is restricted by receipts (li.e. the 50% completion method.
