ΚΕΝΗ ΘΕΣΗ ΣΕ ΔΙΕΘΝΗ ΟΡΓΑΝΙΣΜΟ

Το Υπουργείο Εργασίας, Πρόνοιας και Κοινωνικών Ασφαλίσεων γνωστοποιεί ανακοίνωση του «Food and Agriculture Organization of the United Nations» αναφορικά με την πλήρωση της πιο κάτω θέσης εργασίας:

Food and Agriculture Organization of the United Nations

PROFESSIONAL VACANCY ANNOUNCEMENT N^o: IRC2712

Issued on: **5 January 2015**

Deadline For Application: **26 January 2015**

POSITION TITLE:	Senior Forestry Officer (Team Leader)	GRADE LEVEL:	P-5
ORGANIZATIONAL UNIT:	Forest Economics, Policy and Products Division (FOE) Forestry Department (FO)	DUTY STATION:	Rome, Italy
		DURATION *:	Fixed-term: 2 years
		POST NUMBER:	0118869
		CCOG CODE:	1H06

Qualified female applicants and qualified nationals of non-and under-represented member countries are encouraged to apply.
Persons with disabilities are equally encouraged to apply.
All applications will be treated with the strictest confidence.

The incumbent may be re-assigned to different activities and/or duty stations depending on the evolving needs of the Organization.

Organizational Setting

The Forest Economics, Policy and Products Division leads FAO's work on the development of effective forest policies, governance and institutions and provides leadership for the social and economic dimensions of forestry, including the contributions to poverty reduction and food security and nutrition. It liaises with member countries, civil society and the private sector in aspects ranging from National Forest Programmes to sustainable forest industries and forest products promotion. The Division is also concerned with the collection, analysis and dissemination of information on the production, trade and consumption of wood and non-wood forest products.

The post is located in the Forest Economics/Statistics Team.

Reporting Lines

The Senior Forestry Officer (Team Leader) reports to the Director, FOE.

Technical Focus

Planning, organizing and coordinating the technical and operational delivery of the Department's work on forest economics and forest products statistics in the context of the organization's strategic framework and related forestry priorities.

Key Results

Leadership and technical policy expertise for the planning, development and implementation of Departmental/Division Programmes of work, projects, products, services in accordance with (Departmental &) FAO Strategic Objectives.

Key Functions

- Plans, manages, or leads highly specialized or multi-disciplinary teams, leads, coordinates, and/or participates on Organization-wide, cross-Departmental committees, project teams, and working groups, and/or provides technical leadership/secretariat services on technical networks and/or international technical policy and standard setting bodies.
- Analyzes global and country specific requirements and relevant technical issues to provide critical input into the FAO Strategic Objectives, Programme of Work, work plans and the supporting budgets and/or resourcing strategies.
- Implements and monitors programmes of work involving the development of the approach, evidence based strategies, and related tools, methodologies and the supporting system/database, monitoring and reporting frameworks
- Conducts, designs and oversees research and analysis activities to support the development of technical standards, international instruments, innovation, technical reports, publications and/or on-going programme development as well as the provision of technical and/or policy advisory services
- Provides technical and policy advice to Member countries and technical support to decentralized offices in the development and implementation of their programmes.
- Leads and/or collaborates in, provides technical backstopping to and ensures the quality / effectiveness of capacity development and knowledge sharing activities within member countries such as policy support, organizational development and individual learning events including preparation of related information, learning, on-line tools.
- Represents the Organization at international meetings and conferences, identifies and implements strategic partnerships, advocates best practices and increased policy dialogue and develops and negotiates effective working relationships/consensus and agreements with international and national stakeholders.
- Leads and/or participates in resource mobilization activities in accordance with the FAO Corporate strategy.

Specific Functions

- Shapes the Organization's strategic directions regarding work on forest economics and forest products statistics
- Provides strategic, managerial and technical leadership, guidance and support to the Team, focusing in particular on economic modeling and forecasting, investment appraisal, cost-benefit analysis, public-sector economics and forest products statistics
- Provides advice to countries on the economic feasibility and costs and benefits of different project and policy options, to strengthen their capacity for sustainable forest management and the development of sustainable forest industries;
- Provides key contributions to economic aspects in the State of the World's Forests and the Global Forest Resources Assessment of FAO and leads forest outlook studies
- Plans, implements, monitors and reports on the technical, operational and financial delivery of the Team's contributions to FAO's strategic objectives and provides input into the FAO corporate Programme of Work and related processes;

- Performs other related duties as required

CANDIDATES WILL BE ASSESSED AGAINST THE FOLLOWING

Minimum Requirements

- Advanced university degree in Forestry, Economics or other related fields
- Ten years of relevant experience, including international experience, in programme planning and implementation in the area of forest economics and/or statistics, including in developing countries
- Working knowledge of English, French or Spanish and limited knowledge of one of the other two or Arabic, Chinese, Russian

Competencies

- Results Focus
- Leading, Engaging and Empowering
- Communication
- Partnering and Advocating
- Knowledge Sharing and Continuous Improvement
- Strategic Thinking

Technical/Functional Skills

- Work experience in more than one location or area of work, particularly in field positions is essential
- Relevant working experience in developing countries and countries in transition is desirable
- Extent of technical knowledge related to the economic analysis of forestry issues with, in particular, strong technical knowledge of quantitative methods
- Demonstrated results-based management capabilities with an ability to manage programmes, budgets and human resources efficiently under shifting priorities
- Demonstrated ability to mobilize resources
- Extent of working experience in organizing international meetings, seminars and training course
- Excellent communication skills in English are considered a strong asset

Please note that all candidates should adhere to *FAO Values of Commitment to FAO, Respect for All and Integrity and Transparency*.

ADDITIONAL INFORMATION

- All candidates should possess computer/word processing skills.
- Evaluation of qualified candidates may include an assessment exercise which will be followed by a competency-based interview.
- Your application will be screened based on the information provided in your iRecruitment online profile (see "*How to Apply*"). We strongly recommend that you ensure that the information is accurate and complete including employment record, academic qualifications and language skills.
- Please note that FAO will only consider academic credentials or degrees obtained from an educational institution recognised in the IAU/UNESCO list.
- Other similar positions at the same level may be filled from this vacancy notice and the endorsed candidates will be considered for the Employment Roster for a period of 2 years.
- Candidates may be requested to provide performance assessments.

REMUNERATION

A competitive compensation and benefits package is offered. For information on UN salaries, allowances and benefits, click on the following link: <http://icsc.un.org/rootindex.asp>

HOW TO APPLY

To apply, visit the iRecruitment website at <http://www.fao.org/employment/iRecruitment-access/en/> and complete your online profile. Only applications received through iRecruitment will be considered.

Candidates are requested to attach a letter of motivation to the online profile.

Vacancies will be removed from iRecruitment at 23:59 Central European Time (CET) on the deadline for applications date. We encourage applicants to submit the application well before the deadline date.

ΥΠΟΥΡΓΕΙΟ ΕΡΓΑΣΙΑΣ, ΠΡΟΝΟΙΑΣ ΚΑΙ ΚΟΙΝΩΝΙΚΩΝ ΑΣΦΑΛΙΣΕΩΝ
ΚΕΝΗ ΘΕΣΗ ΣΕ ΔΙΕΘΝΗ ΟΡΓΑΝΙΣΜΟ

Το Υπουργείο Εργασίας, Πρόνοιας και Κοινωνικών Ασφαλίσεων γνωστοποιεί ανακοίνωση του «Food and Agriculture Organization of the United Nations» αναφορικά με την πλήρωση της πιο κάτω θέσης εργασίας:

Food and Agriculture Organization of the United Nations

PROFESSIONAL VACANCY ANNOUNCEMENT N^o: IRC2740

Issued on: 12 January 2015

Deadline For Application: 2 February 2015

POSITION TITLE:	Human Resources Officer	GRADE LEVEL:	P-4
		DUTY STATION:	Bangkok, Thailand
ORGANIZATIONAL UNIT:	Regional Office for Asia and the Pacific, RAP	DURATION :	Fixed-term: 2 years
		POST NUMBER:	0252603
		CCOG CODE:	1A06

Qualified female applicants and qualified nationals of non-and under-represented member countries are encouraged to apply.

Persons with disabilities are equally encouraged to apply.

All applications will be treated with the strictest confidence.

The incumbent may be re-assigned to different activities and/or duty stations depending on the evolving needs of the Organization.

Organizational Setting

The Regional Office for Asia and the Pacific, RAP is responsible for leading FAO's response to regional priorities for food security, agriculture and rural development through the identification, planning and implementation of FAO's priority activities in the region. It ensures a multidisciplinary approach to programmes, identifies priority areas of action for the Organization in the Region and, in collaboration with departments and divisions at Headquarters, develops, promotes and oversees FAO's strategic response to regional priorities. RAP also advises on the incorporation of regional priorities into the Organization's Programme of Work and Budget and implements approved programmes and projects in the region, monitors the level of programme implementation and draws attention to problems and deficiencies. RAP develops and maintains relations with region-wide institutions including the Regional Economic Integration Organizations (REIOs).

The Regional Office supports regional policy dialogue on food security, agriculture and rural development issues, facilitates the emergence of regional partnerships, and supports capacity development and resource mobilization for food security, agriculture and rural development in the region.

The post is located in the Shared Services Centre of RAP in Bangkok, Thailand.

Reporting Lines

The Human Resources Officer reports to the Senior Administrative Officer under the functional guidance and oversight of the Director, Human Resources Office (OHR) at the HQ

Technical Focus

Advise management and staff within the Region on the full range of human resources matters with emphasis on HR servicing functions

Key Results

- Comprehensive HR expertise for the planning and delivery of multi-disciplinary HR programmes, products and services and the development of related policies and specialized tools and systems.

Key Functions

- leads projects and/or work teams, leads and/or participates on Division teams, provides secretariat services and/or professional HR expertise on Organization-wide HR committees and working groups and represents FAO at inter-agency meetings;
- plans and delivers HR programmes, products and services including related policies, systems and tools to facilitate the effective recruitment, management, development and retirement of the FAO workforce;
- analyzes HR requirements, information, data, statistics, relativities, trends, problems, and/or issues to support service delivery, new HR initiatives, and the preparation of plans, strategies, reports, policies and/or other products;
- provides specialist HR advice and expertise to designated 'business partners' on specific or complex cases, staff requirements, policy interpretation issues, labour relations issues and/or best practices, etc.;
- manages special projects and provides guidance to consultants for the development and implementation of new HR products, tools, and systems;
- develops information, training materials and products to increase understanding of HR programmes, services and policies, promote capacity development and facilitate the introduction of 'Change' across the Organization;
- provides information and assistance to management and staff to resolve problems and/or reach agreement on complex issues;
- develops relevant performance criteria and indicators to evaluate HR programmes, products and services.

Specific Functions

- manages and oversees HR servicing function by providing advice on entitlements and benefits matters, and ensures the efficient and effective delivery of services in compliance with the Service Level Agreements;
- interprets and applies FAO rules and regulations as well as policies and procedures governing human resources management;
- manages and oversees the selection, recruitment and appointment of staff and non-staff and provide support to staff selection panels;
- advises management and supports the proactive and systematic implementation of staff development and learning

- programmes;
- guides and advises managers on organizational design, position management, succession planning and lead the implementation of the staffing needs assessment enabling the effective delivery of the work program in the Region;
- maintains close contact with the HR Management at HQ to obtain guidance on technical aspects and keeps abreast of the different HR initiatives and policies and maintains leading edge knowledge on human resources issues;
- represents the HR Management at Regional level on human resources related matters

CANDIDATES WILL BE ASSESSED AGAINST THE FOLLOWING

Minimum Requirements

- Advanced university degree in human resources, management, business administration, organizational development, industrial psychology or a related field
- Seven years of relevant experience in human resources management including experience in HR servicing (entitlements and benefits) and in at least one of the following areas: development and implementation of human resources policies and procedures, staff development and learning, workforce planning, recruitment and staffing, organizational design and job classification
- Working knowledge of English, French or Spanish and limited knowledge of one of the other two or Arabic, Chinese, Russian

Competencies

- Results Focus
- Teamwork
- Communication
- Building Effective Relationships
- Knowledge Sharing and Continuous Improvement

Technical/Functional Skills

- Work experience in more than one location or area of work, particularly in field positions is desirable
- Extent and relevance of experience in human resources management, administration and HR servicing (entitlements and benefits)
- Extent and relevance of experience in development and implementation of human resources policies and procedures
- Familiarity with automated human resources management systems

Please note that all candidates should adhere to *FAO Values of Commitment to FAO, Respect for All and Integrity and Transparency*.

ADDITIONAL INFORMATION

- All candidates should possess computer/word processing skills.
- Evaluation of qualified candidates may include an assessment exercise which will be followed by a competency-based interview.
- Your application will be screened based on the information provided in your iRecruitment online profile (see "How to Apply"). We strongly recommend that you ensure that the information is accurate and complete including employment record, academic qualifications and language skills.
- Please note that FAO will only consider academic credentials or degrees obtained from an educational institution recognised in the IAU/UNESCO list.
- Other similar positions at the same level may be filled from this vacancy notice and the endorsed candidates will be considered for the Employment Roster for a period of 2 years.
- Candidates may be requested to provide performance assessments.

REMUNERATION

A competitive compensation and benefits package is offered. For information on UN salaries, allowances and benefits, click on the following link: <http://icsc.un.org/rootindex.asp>

HOW TO APPLY

To apply, visit the iRecruitment website at <http://www.fao.org/employment/i-recruitment-access/en/> and complete your online profile. Only applications received through iRecruitment will be considered.

Candidates are requested to attach a letter of motivation to the online profile.

Vacancies will be removed from iRecruitment at 23:59 Central European Time (CET) on the deadline for applications date. We encourage applicants to submit the application well before the deadline date.

If you need help, or have queries, please contact: iRecruitment@fao.org

ΥΠΟΥΡΓΕΙΟ ΕΡΓΑΣΙΑΣ, ΠΡΟΝΟΙΑΣ ΚΑΙ ΚΟΙΝΩΝΙΚΩΝ ΑΣΦΑΛΙΣΕΩΝ
ΚΕΝΗ ΘΕΣΗ ΣΕ ΔΙΕΘΝΗ ΟΡΓΑΝΙΣΜΟ

Το Υπουργείο Εργασίας, Πρόνοιας και Κοινωνικών Ασφαλίσεων γνωστοποιεί ανακοίνωση του «Food and Agriculture Organization of the United Nations» αναφορικά με την πλήρωση της πιο κάτω θέσης εργασίας:

Food and Agriculture Organization of the United Nations

PROFESSIONAL VACANCY ANNOUNCEMENT N^o: IRC2743

Issued on: 16 January 2015

Deadline For Application: 6 February 2015

POSITION TITLE:	Social Protection Officer (Rural Development)	GRADE LEVEL:	P-4
ORGANIZATIONAL UNIT:	Social Protection Division, ESP	DUTY STATION:	Rome, Italy
	Economic and Social Development Department, ES	DURATION *:	Fixed-term: 2 years
		POST NUMBER:	0800031
		CCOG CODE:	1L

Qualified female applicants and qualified nationals of non-and under-represented member countries are encouraged to apply.
Persons with disabilities are equally encouraged to apply.

All applications will be treated with the strictest confidence.

The incumbent may be re-assigned to different activities and/or duty stations depending on the evolving needs of the Organization.

Organizational Setting

The Social Protection Division (ESP) coordinates FAO's work on social protection, gender equality, decent rural employment, rural institutions and people's empowerment. It is responsible for working with member countries and other partners to reduce rural poverty through strengthening social protection systems, diversifying rural employment opportunities, reducing gender gaps and other social inequalities in agriculture, strengthening producer organizations and improving the rural poor's access to productive resources and rural services.

The post is located in the ESP Division in the FAO Headquarters.

Reporting Lines

The Social Protection Officer reports to the Senior Officer leading the social protection team of ESP.

Technical Focus

- Support countries, through technical and capacity development, in forging links and promoting greater policy coherence and synergies between social protection policy, food and nutrition security, agricultural development, natural resource management, resilient rural livelihoods and poverty reduction.
- Develop analytical and policy tools for informing the design and assessing the effectiveness of social protection systems for rural poverty reduction, decent rural employment, and food and nutrition security.
- Capacity development in the design and analysis of social protection policies and programmes for agriculture, food security and rural development.
- Policy outreach and advocacy for social protection.

Key Results

Comprehensive technical, statistical, analytical and/or policy analysis services and the development of specialized tools, methodologies, systems and/or databases to support the planning, implementation/delivery and monitoring of the programme of work and related products, projects, publications, and services

Key Functions

- Plans and leads components of multi-disciplinary teams and short term work groups, leads and/or participates on Division/Departmental teams, participates on Organization-wide committees, project teams, and working groups and provides specialized expertise on international technical networks and or technical policy and standard setting bodies;
- Develops technical, statistical, analytical, monitoring and reporting frameworks, and related tools, methodologies, systems and databases etc. to support the planning, implementation/delivery and monitoring of the programmes of work, products, projects, and services;
- Designs and conducts research, data collection, validation, analysis and/or reporting activities to support the development of technical standards, international instruments, innovative tools and methodologies, flagship publications/technical reports and/or policy proposals as well as the provision of technical specialist and/or policy advice and expertise;
- Responds to requests and provides technical/policy advice, assistance and solutions to Regional, Sub-Regional, and Country Offices and provides technical backstopping to field projects;
- Promotes international cooperation and collaboration, advocates best practices and increased policy dialogue and provides technical expertise at international meetings and conferences;
- Collaborates in capacity development activities involving knowledge sharing, the organization of training workshops, seminars, and meetings as well as the development of related materials and on-line tools and information kits;
- Participates in resource mobilization activities in accordance with Corporate strategy and Departmental plans.

Specific Functions

- Guides and supervises the work of professional and administrative staff, as might be appropriate
- Monitors and coordinates research carried out by junior technical officers and external collaborators
- Liaises and follows-up with country level counterparts and other partners on agreed areas of work

- Identifies and initiates new projects in line with the objectives of the FAO Revised Strategic Framework

CANDIDATES WILL BE ASSESSED AGAINST THE FOLLOWING

Minimum Requirements

- Advanced university degree in economics, institutional development, social anthropology, rural development or other relevant social sciences
- Seven years of relevant experience in the formulation, planning and management of policies and programmes, quantitative and qualitative socio-economic analysis and capacity building in relation to social protection and any of the following related areas: gender, rural employment, nutrition, agricultural production, natural resource management, food security or rural finance. Ph.D. qualifications in a relevant field of study will substitute for two years of experience
- Working knowledge of English and French or Spanish, and limited knowledge of one of the other two or Arabic, Chinese, Russian

Competencies

- Results Focus
- Teamwork
- Communication
- Building Effective Relationships
- Knowledge Sharing and Continuous Improvement

Technical/Functional Skills

- Work experience in more than one location or area of work, particularly in field positions is desirable
Demonstrated technical expertise to devise new methods, concepts, approaches and techniques in social protection and poverty and hunger reduction
- Extent and relevance of work experience in policy advice and projects and programmes coordination
- Ability to synthesize research and lessons learnt, and reach empirically and evidence based conclusions
- Demonstrated technical and/or organisational skills to design and synthesize strategies for programme development in member States
- Extent and relevance of experience with policy analysis, formulation, monitoring and evaluation in the fields of social protection, rural poverty and food insecurity
- Extent and relevance of experience in quantitative socio-economic analysis, including applied econometric analyses;
- Extent and relevance of experience in capacity development, including ability to organize, design and deliver capacity development programmes for policy makers, technical meetings and training sessions
- Excellent oral and written communication skills, including synthetic analytical writing skills in English and strong record of peer reviewed publications in the relevant field
- Ability to develop sustained partnerships and knowledge networks, to lead and work effectively in multidisciplinary and multicultural teams, and to deliver high-quality work on time and under pressure

Please note that all candidates should adhere to *FAO Values of Commitment to FAO, Respect for All and Integrity and Transparency*.

ADDITIONAL INFORMATION

- All candidates should possess computer/word processing skills.
- Evaluation of qualified candidates may include an assessment exercise which will be followed by a competency-based interview.
- Your application will be screened based on the information provided in your iRecruitment online profile (see "*How to Apply*"). We strongly recommend that you ensure that the information is accurate and complete including employment record, academic qualifications and language skills.
- Please note that FAO will only consider academic credentials or degrees obtained from an educational institution recognised in the IAU/UNESCO list.
- Other similar positions at the same level may be filled from this vacancy notice and the endorsed candidates will be considered for the Employment Roster for a period of 2 years.
- Candidates may be requested to provide performance assessments.
