EDA RECRUITMENT | EXTENSION OF DEADLINE FOR 2 POSTS IN THE CAP DIRECTORATE

The following vacancies in EDA are currently published with deadline for applications the 1st of September 2022:

Post title	Directorate	Contract type	Grade
Project Officer Medical	CAP	SNE	AD10/AD11 equivalent
Project Officer Land Programmes	CAP	SNE	AD10/AD11 equivalent

Due to the insufficient number of applications received for these posts, the closing date is now extended.

**New deadline for applications:
30 September 2022**

Candidates are reminded that the on-line application system will not accept applications after midnight (Brussels time, GMT+1) on the date of the deadline. These details are also published on our internet site (www.eda.europa.eu) under "Jobs".

For the Agency to deliver upon its objectives, it needs to attract the highest level of competent staff. Especially for competences required from Ministries of Defence we need to have the support of Member States to promote EDA vacancy notices and to provide strong candidates.

I thus count on your collaboration to ensure the widest possible dissemination of these vacancies by your services.
