EDA RECRUITMENT | EXTENSION OF DEADLINE FOR TWO (2) POSTS IN EDA

On 5 and 10 October 2023 we sent EDA Communications ref. EDA202310016 and EDA202310026 about the publication of the following vacancies in EDA:

Post title	Directorate	Contract type	Grade
Director Research, Technology And Innovation (RTI)	RTI	TA	AD14
SharePoint Expert	CSD	CA	FGIV

The closing date for applications is 07 November 2023. Due to the insufficient number of applications received for this post, the closing date is now extended.

**New deadline for applications:
21 November 2023**

Candidates are reminded that the on-line application system will not accept applications after midnight (Brussels time, GMT+1) on the date of the deadline. These details are also published on our internet site (www.eda.europa.eu) under "Jobs".

For the Agency to deliver upon its objectives, it needs to attract the highest level of competent staff. Especially for competences required from Ministries of Defence we need to have the support of Member States to promote EDA vacancy notices and to provide strong candidates.

I thus count on your collaboration to ensure the widest possible dissemination of these vacancies by your services.
