## EDA RECRUITMENT | EXTENSION OF DEADLINE FOR 3 POSTS IN EDA

On 13/04/2022 and 16/05/2022 we sent EDA Communications ref. EDA202204060 and ref. EDA202205015 about the publication of the following vacancies in EDA:

Post title	Directorate	Contract type	Grade
Project Officer CBRN and Human Factors	RTI	SNE	AD10/AD11 equivalent
Project Officer Airworthiness	ISE	TA	AD10
Project Officer CDP	CAP	TA	AD10

Due to the insufficient number of applications received for this post, the closing date is now extended.

### **New deadline for applications: 1 September 2022**

Candidates are reminded that the on-line application system will not accept applications after midnight (Brussels time, GMT+1) on the date of the deadline. These details are also published on our internet site ([www.eda.europa.eu](http://www.eda.europa.eu)) under "Jobs".

For the Agency to deliver upon its objectives, it needs to attract the highest level of competent staff. Especially for competences required from Ministries of Defence we need to have the support of Member States to promote EDA vacancy notices and to provide strong candidates.

I thus count on your collaboration to ensure the widest possible dissemination of these vacancies by your services.
