**Settlement of Due Debts by paying a single lump sum
(Extension of application date)**

The Tax Department informs that, **until 21/7/2017**, it will accept applications at [Local District Offices](#) for settling debts **with a lump sum payment only**. No other application, for settlement in installments, will be accepted during this period.

It should be noted that:

- Until the above date, there is no need to register with the Ariadni Gateway Portal. However, it is necessary to submit by hand at the Tax Department's District Offices the [TΦ2005E/2017](#) form, which is available both on the department's website and at the [District Offices](#). In addition, an instructive [guide](#) (in Greek) on how to complete this form is available on the website for your own use.
- The one-off payment will take place at the Tax Collection Offices, or in any other way indicated to the taxpayer.
- Taxpayers who settle their debts to the Tax Department with a lump sum payment, are benefited to a 95% exemption from the additional financial charges imposed on them.

Important Note

Claims for settling due debts are accepted under the following conditions:

1. All tax returns required by the Law until 31/12/2015 have been submitted.
2. All due taxes, if any, as of 01/01/2016 and onwards have been paid or arranged to be paid.

Please also note that, manual application for settling debts is a temporary arrangement. Therefore, those intending to apply for the Debt Settlement Scheme, are encouraged to register at the "Ariadni" Gateway Portal the soonest possible, since the whole process, from the submission of the application, to the declaration of acceptance, will be done through Web application.
