## **ONLINE REGISTRATION TO THE V.A.T. TAXISNET SYSTEM**

The Tax Department would like to inform you that online registration to the V.A.T. Taxisnet system is now available.

Registration to the Taxisnet system is a prerequisite for the electronic submission of V.A.T. Returns and Recapitulative Statement (VIES).

Online registration can be accomplished through the following link:

<https://taxisnetreg.mof.gov.cy>.

The Tax Department encourages taxpayers to use online registration since it saves time and provides direct service.

We would also like to inform you that the manual registration process for the electronic submission of the V.A.T. Return is soon to be repealed.
