ANNOUNCEMENT

EXIT OF THE UNITED KINGDOM FROM THE EU AND REPORTING REQUIREMENTS FOR SUBMISSION OF INTRASTAT DECLARATIONS

According to the latest developments, in the absence of a Withdrawal Agreement, the UK will be treated as a non-EU country as of 13 April 2019.

In light of the above, the INTRASTAT declarations for the reference month April 2019 should include arrivals and dispatches of goods with the United Kingdom which will take place until 12 April 2019 (reference period 01/04/2019-12/04/2019). The imports and exports of goods from/to United Kingdom as from 13 April 2019 and onwards will not be considered as intra-community movements, therefore will not be declared via INTRASTAT declarations.

In case of any change of the above, a new announcement will be issued.
