

Procurement of a Tender for the Implementation, Maintenance and Operation of an Integrated Tax Administration System (ITAS)

The Cyprus Tax Department issued a Tender for the Implementation, Maintenance and Operation of an Integrated Tax Administration System.

The Tender will follow the Restricted procedure and will be conducted in two stages. The first stage is the Prequalification stage: Invitation of Requests to Participate from candidate economic operators. The second stage to follow is the Contract award stage: Invitation to Tender of prequalified economic operators.

The document of the prequalification stage "Invitation to submit a request to participate" has been uploaded to the eProcurement website.
